Note: Items marked * are required.
This document should be completed and shipped along with returned merchandise.

- We will deduct a 10 % restocking fee , shipping & insurance charged and give a refund to your original card of payment. If the original payment was made by check or cash or money order then we will issue a refund check of the refund amount and mail it within 3 business days of receiving and verifying the content.
- Please note that as gold price is not constant / keeps changing and our web site gives the customer updated daily price. At the time of return we will give you credit for returned merchandise based on the price at the time of return, on the price of original purchase at our discretion.
- An email notice for credit issued will be sent to the email address on file when the credit is processed.
- In case of exchange, we will hold a store credit for the amount of purchase (- original s & h charges)
